## NEAR PORT ARTHUR

The Japanese Troops Occupy the First Line of the Outer Fortifications.

## THE RUSSIANS FEEBLY RESISTED.

The Japs Have Taken Kwang Tung Heights on Which They Emplaced Heavy Artillery.

They Dominate Port Arthur—Russian Squadron Attempted a Sortie But Was Forced to Return, Being Threatened By Japs.

London, June 4.—The Rome correspondent of the Central News telegraphs:

"A Tokio dispatch to the Giornale d'Italia says that the Japanese have occupied the first line of the outer fortifications of Port Arthur after a feeble resistance."

The correspondent at Tokio of the News Agency Liberas says that four divisions of Japanese troops have occupied Kwan Tung heights on which they emplaced heavy artillery dominating Port Arthur.

The same correspondent adds that the Russian squadron attempted a sortie but was forced to return, being threatened by the Japanese fleet.

St. Petersburg, June 4.—Lieut. Gen. Zilinsky, chief of staff to Gen. Kuropatkin, transmits to the minister of war under date of June 2 a report of Gen. Stoessel dated Port Arthur, May 28, as follows:

"After a fierce battle lasting two days I ordered our positions at Kin Chou to be evacuated in the evening for we had opposed to us at least three divisions with 120 guns.

"The enemy's fire, particularly that from four gunboats and six torpedo boats, completely annihilated our batteries mounted at Kin Chou. The fifth regiment, which was posted on this spot, stood its ground heroically. The fire of this regiment as well as that of our batteries and the gunboat Bobroff Khounouza inflicted enormous losses on the Japanese.

"Our losses amounted to 30 officers and 800 men killed or wounded. We blew up or damaged all our guns which the Japanese had not put out of action. It would have been inexpedient certainly to bring up siege artillery during the fierce fighting.

"The battle May 26 began at 5 a. m. and lasted until 8 p. m., when I ordered the position evacuated gradually. The explosion of a number of our mines and fougades was rendered impossible by the Japanese who turned our position immediately. The Japanese advanced through water up to their waists under the protection of their ships. The spirits of our troops is excellent."

He was riding on a fast moving engine when he noticed flames coming from the half a block of stables in the rear of the million-dollar plant of the Kentucky Wagon Manufacturing Co. He jumped from the flying engine, led 20 horses from their stalls just as the roof fell in and then fought the fire with the company's hose until the firemen arrived. Had the fire gained headway it would have caused enormous loss. All the buildings are filled with inflammable material.

## STEALING LOGS.

Detectives Arrested Several Alleged River Pirates.

Owingsville, Ky., June 4.—For many years the stealing of logs along the Twelve Pole, Guyan and Mud rivers, in the Big Sandy river valley, has been going on and has cost the timber dealers many thousand dollars. ## A RACE WAR IS ON

Two White Men Killed by Negroes on a Plantation at Trail Lake, Miss.

## WERE SHOT DOWN IN THEIR STORE

One Colored Man Was Caught and Hanged by a Mob and Two Others Were Shot and Killed.

The Country Is in a State of Intense Excitement and It Is Feared Further Trouble May Ensnare Between Whites and Blacks.

Greenville, Miss., June 4.—As a result of a fight which occurred on the Sims & Williams plantation at Trail Lake, Miss., 30 miles east of here, Thursday night, John Sims and his manager, named Cato, were killed by Negroes and three of the Negroes have been killed also. The country is in a state of intense excitement and it is feared further trouble may ensue between the whites and blacks.

The slaughter started about 10 o'clock Thursday night when Sims and Cato were shot down in their store by a Negro named Sam Clark. Sims was engaged in checking up his cash when Clark came in. Before he could make any kind of a move, Clark raised a Winchester and fired, the shot taking effect first in the back and then breaking the collar bone. He died instantly. Clark immediately turned on Cato, the manager, who was in another part of the store, shot him in the right side, the ball coming out on the left side.

Cato staggered out of the back of the store and as he reached the door a Negro convict named Van Horn, who was apparently in waiting, struck him over the head with a rifle. Cato died at 7 o'clock Friday morning and the physician gives it as his opinion that the blow over the head caused his death.

News of the tragedy was immediately sent to Greenville and Sheriff John Crouch with a posse went to the scene. The Negroes Van Horn and Clark had made their escape before the posse arrived, but the trail of Van Horn was found and he was tracked about a quarter of a mile into the woods. Here another Negro convict guard named Mayfield interfered with the posse and he was shot down in his tracks.

Van Horn was captured and taken to Leland, 14 miles distant, where he was placed in jail. He remained in jail all night under a strong guard, but at 8:30 Friday morning he was taken out and lynched by a mob. While the sheriff and posse were busy with Van Horn, the other Negro, Sam Clark, returned to the Sims store with the intention, it is said, of killing Buck Williams, the other partner; the bookkeeper, named Crow, who was also at work, and others. Crow, however, after the previous shooting, had armed himself and a Negro who worked about the place, named Aaron Fuller. When Clark made his appearance he was shot and killed by both Crow and Fuller.

It is believed at Trail Lake that the shooting is the outcome of a meeting held in the vicinity of Trail Lake by a Negro secret society, and that the Negroes involved were picked out to do the killing.

## CHARGED WITH MURDER.

Boy Held For Trial For the Killing of His Mother.

Trenton, N. J., June 4.—Nathan Sibbett, the 14-year-old boy who was arrested last Sunday on the charge of being responsible for the death of his mother, whose body was found at her home at Jacobs creek in a partly decomposed condition, was Friday formally committed on a charge of murder. According to the testimony of the officers the lad had a quarrel with his mother on the Tuesday before her body was found and he pushed her from the top of the stairs, her death resulting. The boy then covered her body with bed clothing and left the house.

## JAMES GILLESPIE.

Effort Being Made to Have Him Released From Jail.

Lawrenceburg, Ind., June 4.—Proceedings looking to the release of James Gillespie from jail and Myron Barbour, his wife Carrie and Belle Seward from bond are under way here before Judge Downey. Capt. Coles and his daughter Cynthia filed before Judge Downey, who is holding court here, a writ of habeas corpus, asking for the release of the four defendants. The allegations are that the defendants were placed in jeopardy once when the jury was reopened and then placed in jeopardy when the new jury was sworn, and all placed on trial. This revives the old question of jeopardy that was raised by Capt. Coles and the other attorneys for the defense at the time of the trial. Should Judge Downey rule against them the case will be at once taken to the supreme court.

## FUNDS FOR BARRACKS.

## TRAINS COLLIDED.

Many People Killed and Injured on Missouri Pacific 15 Miles South of Kansas City.

## A RELIEF TRAIN WAS SENT OUT.

The Day Coach on One Train Was Telescoped But the Chair Car Was Not Injured.

The "Flyer" Had Orders to Meet the Accommodation at Mastin, But It Is Believed the Crew Overlooked the Order.

Kansas City, June 4.—Nine persons were killed and many injured in a collision of passenger trains on the Missouri Pacific railroad near Mastin City, 15 miles south of Kansas City. The trains, which met head-on, were the westbound Colorado limited No. 1 and the eastbound Hoisington, Kan., accommodation No. 36.

A message received by Missouri Pacific officials here ordered them to send a relief train as soon as possible and to get all the surgeons obtainable, from which it is inferred that numerous passengers were hurt. Newspaper men were not permitted on the relief train, which left about 11 o'clock Friday night. Details of the accident will not be learned until the return of the train with the dead and injured.

Train No. 1, the Colorado "Flyer," had orders to meet train 36, the accommodation, at Mastin. The crew, it is believed, overlooked its orders and met train 36 south of Mastin tank, about one and one-third miles south of Mastin. The engines were both large and were demolished.

Among the dead is a tramp who was riding on the blind baggage. Baggage man Williamson, on train 36, was injured and Engineer Slocum, on No. 1, has a broken leg. Fireman Whaley, on No. 1, was hurt.

The day coach on the accommodation was telescoped, but the chair car was not injured. The mail car on the "Flyer" was telescoped and the end of the baggage car stove in.

## A BLOODY ENCOUNTER.

Half a Dozen Persons Wounded in a Fight Between Strikers and Officers.

The trouble, which had been brewing for several days, broke out in full blast Friday morning, and the struggle which ensued between the strikers and the officers was desperate while it lasted. As a result two men lie in a serious condition at the Eveleth hospital, one with a bullet wound in his head which may cause his death, and several others received severe injuries during the progress of the affray.

A COMMERCIAL-TRIBUNE special says the last inspector here to investigate the rural routes holdup has reported that there were some irregularities in the examination for carriers, and has recommended a new examination. This is what the Republican kickers have been working for. Fourth Assistant Postmaster General Bristow will settle this dispute.

CHARLES M. SCHWAB, former President of the United States steel trust, in a private letter to H. C. Frick declares that the trust could sell steel rails at the mill for \$16 per ton and make a reasonable profit. He claims that he could not only do this, but could shut out English rails in the markets of Great Britain at \$19 per ton, and that the same is true as to other steel products. The price of steel rails at the mills in this country is \$28 per ton. No wonder the steel trust is enabled to distribute millions in dividends.

At Portsmouth a few days ago an industrious and upright citizen foolishly displayed a roll of money in the presence of some of his fellow-workmen. In the crowd was a worthless negro. Before the day was over the man who had made the foolish display of his cash disappeared from his place of work, and a search revealed his dead body in a coal bin. He had been brutally murdered and then robbed, and the worthless negro is now in jail charged with the crime. There is but little if any doubt as to his guilt. The fate of his victim points a moral that needs not to be told.

The Court of Appeals has decided that the City Council of Winchester did not have the right arbitrarily to refuse to grant liquor licenses to proper persons in a precinct in the city that had voted "wet" in a local option election. The City Council adopted a sweeping resolution that no more licenses to sell liquor would be granted in any precinct during the term of office of the then Councilmen. The saloon men in the "wet" precinct asked for a mandamus to compel the Council to issue the licenses. The court says the Council has no right to grant licenses in any precinct that votes "dry," and, therefore, has no right to refuse licenses in a precinct that votes "wet," if the proper person asks in a proper way to sell liquor in a proper place.

### HYOMEI'S SUCCESS IN MAYSVILLE.

Cured Many Serious Cases of Catarrh.—J. J. Wood & Son Will Refund Money if It Fails.

No other medicine or treatment for catarrh has ever achieved such quick and remarkable success in Maysville as Hyomei. The fact that J. J. Wood & Son when they first introduced Hyomei sold it under a positive guarantee to refund the money in case it did not cure contributed largely to its successful introduction. A guarantee from a firm like J. J. Wood & Son gave people confidence at the start.

Those who obtained a Hyomei outfit found that the treatment did all that was claimed for it; that the first few breaths of Hyomei cleared the air passages and gave an exhilarating and invigorating effect. Its continued use freed the system of all catarrhal germs, soothed and healed the mucous membrane, and made a complete and lasting cure.

Compared with the dangerous stomach drugging that had been used heretofore in the treatment of catarrh, the balsamic air of Hyomei created a most favorable impression. And the medicine itself did even more than was claimed for it. In fact, to make a success it was necessary that Hyomei should cure nearly every case of catarrh in which it was used, for every outfit was sold on a guarantee to refund the money in case it failed.

If it had not possessed unusual merit, an offer like this would have resulted in an enormous loss. But curing as it did, Hyomei soon gained an enviable reputation and made many friends who recommended it far and near. Its success here in Maysville has been remarkable, and J. J. Wood & Son are still selling it on their personal guarantee to refund the money in case it does not give satisfaction.

### Sure Relief for Women.

No. 18 Central Ave.  
HOT SPRINGS, ARK., April 30, 1903.

Fifteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any.

A friend told me how much Wine of Cardui built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at I took on Wine of Cardui at the end of that time I was in better health than I had been for seven years.

Dear Sir: Please ask your WIFE, DAUGHTER or SISTER to Read MY FREE Offer.

### WISE WORDS TO SUFFERERS

From a Woman of Notre Dame, Ind.

I will mail, free of any charge, this Home Treatment with full instructions and history of my own case to any lady suffering with female trouble. You can cure yourself at home without the aid of any physician. It will cost you nothing to give the treatment a trial, and if you decide to continue it will only cost you about 12 cents a week. It will not interfere with your work or occupation. I have nothing to sell. Tell other sufferers of it—this is all I ask. It cures all, young or old. If you feel a bearing-down sensation, sense of impending evil, pain in the back or bowels, creeping feeling up the spine, a desire to cry frequently, hot flashes, weariness, frequent desire to urinate, or if you have Leucorrhea (Whites), Displacement or Welling of the Womb, Profuse, Scanty or Painful Periods, Tumors or Growths, address Mrs. M. Summers, Box 120, Notre Dame, Ind., U. S. A., for the Free Treatment and Full Information. Thousands besides myself have cured themselves with it. I send it in plain wrappers.

TO MOTHERS OF DAUGHTERS I will explain a simple Home Treatment which speedily and effectually cures Leucorrhea, Green Sickiness and Painful or Irregular Menstruation in young ladies. It will save you anxiety and expense and save your daughter the humiliation of explaining her troubles to others. Plumpness and health always result from its use. Wherever you live I can refer you to well-known ladies of your own State or county who know and will gladly tell any sufferer that this Home Treatment really cures all diseased conditions of our delicate female organism, thoroughly strengthens relaxed muscles and ligaments which cause displacement, and makes women well. Write to-day, as this offer will not be made again.

"Your ten days' treatment gave me instant relief, and though I have suffered from displacement and painful, irregular menstruation for several months, I am confident your treatment will cure me."

MRS. HATTIE N. ROBINSON, Kuttawa, Ky.

"Physicians recommended an operation, but your Home Treatment quickly cured me of soreness and inflammation of the womb and ovaries."

LILLIE WILLIAMS, Camp Nelson, Ky.

"Your Home Treatment was a God-send to me. It brought away the tumor and removed the soreness and ulceration of the womb in a short time."

MRS. RECIE CRIM, Port Royal, Ky.

### THE GREATEST BARGAIN OF THE SEASON.

You all know that the wool crash outing Coat and Pants are very popular garments. In the past two or three seasons the supply was not equal to the demand. To fill expected orders for this summer, the manufacturers made up immense quantities, but owing to the continued cool weather the demand was rather tame.

One of the biggest manufacturers of this class of goods, not wishing to carry their stock over into next season, offered to a few large clothiers round lots at greatly reduced prices. We were one of the favored houses. The price was irresistible. We bought a hundred suits. They will be on sale next Saturday morning and as long as they will last will be sold for \$5.75 cash. Sizes thirty-two to forty-two. When you see them you will agree with us that they are.

Let us show you our white and fancy Vests. The greatest bargain of the season.

## Whiskey and Beer Habit

PERMANENTLY CURED BY  
"ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes.

"ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

**CURE GUARANTEED OR MONEY REFUNDED.**

Mrs. E. Wycliff, New York City, writes: "ORRINE" cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."

Mrs. W. L. D. Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him 'ORRINE.' He is now fully restored to health and has no desire for drink."

Mr. A. E. L. Atlanta, Ga., writes: "I was born with a love of whiskey and drank it

for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of 'ORRINE' cured me of all desire and I now have the smell of liquor."

Price \$1 per box. Mailed in plain, sealed wrapper by Orrine Company, 817 14th St., Washington, D. C. Interesting book—Treatise on Drunkenness, (sealed free on request. Sold and recommended by

### A Wonderful Woman.

Miss Cora Beckwith who is a feature attraction with the Robinson Amusement Co., will undoubtedly be seen by everyone during the week of the big powwow beginning Monday, June 13th. Miss Beckwith might be termed the queen of the water as her graceful dives and new strokes are most mystifying. Aside from these tests Miss Beckwith gives various imitations and a faithful reproduction of the position in which drowned men are found. This picture is said to be so realistic that it always sends a shudder through the witness. For her performance she uses an immense glass tank containing 40,000 gallons of water.
